

INFORMATION

THE DETAILS

BOOKING

To reserve your event date on our calendar for full service catering, a \$300 deposit is required. To ensure a successful event, we request that your menu selection and all details including guest count be finalized approximately 10 business days prior to the date of your event. Because we know that unexpected events may occur, we do allow cancellation prior to confirmation. Upon confirmation, payment arrangements will be made.

SERVICE CHARGE

Our team of professionals spend a great deal of behind-the-scenes time working towards the success of your event. This includes menu creation, walkthroughs, purchasing products, fresh ingredients and kitchen prep. The service charge includes our food handling permits, liquor and food liability insurance, as well as funding the always increasing expense of transportation. It is dependent on many factors such as guest count, menu, service and equipment needs, duration and type of event.

EVENT STAFF

Dressed in black professional attire, our well trained, polite and professional service staff will take care of the set-up, maintenance and break down, following the requirements of your venue. We know their performance is vital to the success of your event, so we hold our staff to a standard of excellence that ensures each and every client experiences the highest level of service. A minimum gratuity of 10% of food and beverage sales is suggested and applied. If a different amount is preferred, it is at the discretion of the client.

HIGH QUALITY DISPOSABLES

We stock black 9 inch dinner plates. We also provide white paper napkins and faux silver forks, knives and spoons. Black or white linen napkins can be provided for an additional \$0.75 per person. Custom colored plates, napkins and plasticware are available upon request and charged at market price.

BAR SERVICE

Our special catering license includes the catering of alcohol. We can provide the alcohol and the bartender or if you would like to supply your own alcohol, we can provide the bartender. We require 1 bartender per 50 guests. The bartender fee is \$30 per hour with a \$150 minimum, which is billed to the host. This includes 3 hours of service with 1 hour of setup and breakdown. By law, all alcoholic sales will be taxed with local city sales tax. Please see pages 8 and 9 for bar packages, pricing and details.
